

West Oaks Academy Creative Art Program

West Oaks Academy has a NEW Creative Art Program created by Ms. Lee. This is an after-school program. The Creative Art Program will help students expand upon their interests in visual arts in a more relaxed, social setting while creating art that will benefit the school and community. Our mission is not only to create art, but to make it more visible around our school and community. WOA Creative Art Program is open to any student in grades 9th-12th at West Oaks Academy. You do not need to be an artist to participate; no prior experience is necessary! Students will meet twice a week, where students will be encouraged to experiment with a wide variety of materials. You are receiving this letter because YOUR child has shown interest in joining this program and has signed up with Ms. Lee.

Essential information for those in WOA Creative Art Program:

- WOA Creative Art Program will meet Mondays and Thursday from 2:30-3:30
- Each student is required to pay a \$30 Program fee (one time)
- 1st Program meeting will be held **Monday November 28th, 2022**

This fee will cover painting, drawing, and printmaking supplies, materials needed to create murals around our campus, t-shirts, and supplies for any other special projects we may do around school or in our community.

Students in the Creative Art Program must have a signed permission form on file from their parents or guardians stating that they have a ride home after club meetings and that the parents/guardians are agreeable to the student being in the club. Ms. Lee is looking forward to creating with your student this year!

Please sign and return the form below!
